

StateFarm

What do you get when an industry leader joins forces with a world-class university?

Real opportunities and experience for undergraduate and graduate students. Summer or academic year.
Flexible. Adaptable. Inspiring.

Strategic Resources Department Research Internships

The State Farm Research Center offers University of Illinois students a unique internship opportunity at its University of Illinois Research Park location.

Interns will work on projects having direct application to State Farm's research work, and will include:

- Research Company, Consumer and Industry trends
- Prepare written reports and PowerPoint presentations
- Research technology and innovation as it relates to State Farm Business Opportunities
- Department specific research initiatives such as: HR, Marketing, EIS, Public Affairs and Administrative Services
- Work with Corporate Project Leads
- Present information to State Farm management

Criteria: Major/Minor in undergraduate/graduate studies in Economics, Finance, Business, Engineering, Marketing, Statistics, English, Mathematics, Public Relations, Communications, Urban Planning, Psychology, the Technology & Management minor, etc. Convenient on-campus location with easy access to Campus Shuttles

- Sophomore or above
- Preferred 3.0 minimum GPA overall and in major field of study
- Demonstrated ability to gather, interpret, and summarize information from multiple sources
- Quantitative and qualitative analysis
- General knowledge of business practices
- Excellent written and verbal communication skills
- Experience with Microsoft Office products
- Initiative and ability to work independently

Hourly Rate: \$14.00 - \$19.00, depending on undergraduate/graduate status and area of expertise.

At the conclusion of the internship, individuals may be given consideration for further internship opportunities at the Research Center or for full-time employment.

Eligibility of Employment: Applicants must be authorized to work in the United States at the time of hire. State Farm only provides sponsorship when there is a business need.
